REPORT OF SUPERINTENDENT

Our supportive community takes pride in the progress our schools have made. Much of our success must be attributed to the community and the active role that they and our parents take in our schools. Ninety Six is a special place, and we are fortunate to have a close relationship between the schools and the community. We are proud of the accomplishments of our schools, students, and faculty in the Ninety Six School district.

The Staffuly (faculty and staff) work diligently to provide meaningful educational experiences for our students. Our staffuly continues to provide a quality educational and extracurricular program for our students. Academically, our scores continue to improve in all of our schools. Three out of four of our schools made Adequate Yearly Progress (AYP) this year as well as the District and three of our schools were named PALMETTO GOLD schools.

Our new 29 million dollar combination middle/high school complex is under construction and we anticipate occupancy in August of 2012. We appreciate the confidence the community showed us in approving this project.
